

Kinross end of term report. Summer 2018

The end of term is here at last
For some of us that's great
But others really like to dance
on each and every date.

Reports are out; you all did well,
but sometimes had a struggle,
Which foot is left which way is right,
It can be such a muddle.

Yemenites must be the worst,
and Grand chains too I'm sure.
But still you turned up every week
and always asked for more.

I'm very blessed to know you all,
it's really been a pleasure
to teach and laugh and share with you.
These memories I will treasure.

Enjoy the break and have some fun.
So long, farewell to everyone.

Lynne
