

Hello to all my circle dancing friends,

As I write this letter, I can't believe that we have only been dancing together for 6 months. I have really enjoyed sharing my love of circle dancing with you, and it has been so wonderful to see how the group has gelled together.

As you already know, our classes will resume on January 11<sup>th</sup> in the new dance Studio in Kinross. This beautiful dance space will enhance our dancing; (Oh yes it will!)

I have put an advertisement into the Kinross Newsletter and am hoping that we will have new folk joining us. Please encourage your friends to come along and try out something different. The dance studio has lots of space, and it would be good to fill it with happy dancers. I would like to wish you all a very Happy Christmas and a peaceful start to the New Year.

I hope you all have a wonderful Christmas and enjoy the festivities whatever form they take, and I wish you all the very best for 2017.

Love and best wishes from Lynne x

## **What is Circle Dancing?**

Circle Dancing is community dancing in a circle. No partner or experience needed. The dances are easy and fun, some are lively, and some are gentle and reflective, dancing to music from around the world. There is no audience and everyone of any age or ability can join in. Circle Dancing is fun and very sociable.
